Yes

Yukon New Democratic Party Response:

The Yukon NDP commits to continued matched funding for Yukon's Canada's Prenatal Nutrition Program and the Community Action Program for Children, soon to be known as Community Action for Prenatal and Child Health programs. We have also committed to providing nutritional meals in all children in all Yukon schools. The Universal School Nutrition program will work with the Yukon First Nations Education Directorate, educators, school leaders, and local businesses.

Yukon Party Response:

We value the CPNP programs around the Yukon, as well as the program formerly known as CAPC. We will work with these programs to ensure that they are adequately supported.
